

Viral Autopilot Residual Income One-Page System

by Patrick Chan aka the Homely Dad

Thank You My Friend for taking some very precious time to download this System!

It means you want to make a consistent, growing and lasting income. **Let's do this together for our loved ones.**

I'll cut to the chase here. No long sales letter to convince you. My task here is purely to make it simple and easy for you to make money online. I've done all the research and system setup for you to save you time & energy, allowing you to work from home & spend more time with your loved ones. If you can read and understand English, have access to the Internet, can type on the keyboard and click the mouse, and can send some emails or smses, you can definitely make a passive income with us.

Every company I list on this page is legitimate, has an outstanding track record, pays you on time and provides you with quality products/services. **Your Task: Complete 3 Steps & Make Money Online.** Let's begin now, shall we?

STEP ONE – PLUG YOURSELF IN

[Open AlertPay Business Account](#)

[Open PayPal Premier/Business Account](#)

▶ Getting your online payment systems in place is vital for you to send/receive money online. Make sure you have these accounts verified. Get a good anti-virus software which includes Internet security, and never access any online payment system via a link from within an email.

[Join Infinity Downline \(ID\) – \\$25/Month](#)

▶ This is a long-term residual income stream that helps you build your own online business network that you can tap into for ready clients for any online business you undertake. Follow the simple blueprint laid out in the program and use this one-page system as well to grow your income online. It only takes one person to break even! No admin fees. 100% payouts. Failure to join this is failure indeed =)

[Join SpinSuccess – \\$29.95/Month](#)

▶ It's highly recommended to use SpinSuccess to automate your search engine marketing to promote ID.

▶ [Login to Members Area](#) ▶ [Account Details](#) ▶ [User Account Information](#) ▶ [Website URL ...](#)

▶ Then enter the website referral link you want to promote.

© Already in ID or SpinSuccess? You are allowed to have multiple accounts. Join within your means.

You can always join later anything you've missed out.

STEP TWO – MAKE THIS SYSTEM YOURS

[Click on this link to make this system yours.](#) This is also known as rebranding.

This will lead to a web page where you can easily replace the referral links found on this page with your own referral links by

▶ filling in a form. ▶ You can then download a PDF file just like this one with your links instead and receive due credit when others use your system and follow the 3 simple steps. This is simple duplication! **My Gift to You ☺**

So, let's keep it simple. ▶ Moreover, you can rebrand this system as often as you need to.

▶ The rebranded PDF file which contains your referral links is your very own viral income system! Appreciate it! Use it!

STEP THREE – PASS IT ON ASAP

Pass what on? Pass ▶ the copy of your rebranded PDF file on!

How to? ▶ Go to this link and you will find what truly works to do marketing online even for total newbies.

▶ Spreading this by word of mouth can be very effective too, so don't miss out on that!

▶ With your rebranded PDF file, it will be easy for people to join our team and do the same 3 steps. So, go all out with it!

▶ Focus, aim, plan and execute! Be really serious for once in your life as time waits for nobody.

▶ Focus your time now on achieving your goal as soon as possible. This focused time you've set aside will bear fruit for a long time to come... It will be well worth your time!

▶ Let's set our common goal so that everyone reading this is on the same page.

▶ Let's aim to get 4 like-minded people to join our team within our first week. Work so hard as if everything depended on this one week and the 4 people. Then, when you've achieved your target, you can truly sit back, relax and watch your income grow virally on autopilot. Yes, even while you sleep! And yes, you need to do some work (smart work for most part) before the whole autopilot part can set in. This is similar to praying. Pray as if everything depended on God and work as if everything depended on you. **Read this again until you get it. Be creative & NEVER SPAM. That's it! Just Do It!**

Cheers to Your Viral Autopilot Residual Success !
